Sisters, Servants of the Immaculate Heart of Mary

Monthly Giving Program

We invite you to consider monthly giving

With your help and devotion, the IHM Sisters have educated thousands of students, ministered to the poor, hungry, sick and elderly, and provided tender, loving care to their retired sisters at the Motherhouse.

In order to help foster and sustain the community's mission, the IHM Sisters would like to invite you to become a monthly donor.

Your monthly partnership, either through a traditional check or the electronic transfer of funds, helps us to budget in a responsible manner.

As a friend and donor, you are loved and valued. We are blessed to have you in our lives. Please know that you are remembered in our daily prayers.

The ease of electronic giving

"Electronic" giving is an efficient, easy and time-saving alternative method for you to make regular monthly donations in support of the IHM mission.

Automatic electronic transfer of funds saves time and money for you and the IHM community.

This payment procedure is very simple. You authorize your bank to transfer a gift of a specific amount of money from your checking or savings account or your Visa or MasterCard account to the IHMs monthly. Your bank or credit card

statement will show the date and amount of your gift each month.

Automatic electronic transfer of funds is very safe.

"I like electronic giving because it is an effortless way of showing my support each month for the sisters I love."
