

MAY 16 — JULY 10, 2022

2020s Vision Art Exhibit

The Monroe County Community College (MCCC) art club is a student-led organization which aims to create a space for young artists to connect, find opportunities and hone their creative talents. The name "2020s Visions" is a double entendre, referring to the common saying "20/20 vision," as well as the new decade we are entering.

The art club is ecstatic to present our show, live and in person, with an optimistic look to the future in a broad variety of subjects, styles and mediums.

Attendees are required to wear masks, enter through the A-wing entrance and sign in for contact tracing.

There will be an opening reception in the Gallery on Friday, June 10, 6:00 -7:30 p.m.
